PROFESSOR RITA KAKKAR
DEAN, FACULTY OF SCIENCE
HEAD, DEPARTMENT OF CHEMISTRY
UNIVERSITY OF DELHI
DELHI - 110 007

Dear M.Sc. Final Students,

I hope and pray for your health and that of your loved ones.

Mr. Jitendra Maurya, who used to prepare the results of M.Sc., is very sick and admitted to ICU. I have managed to put together the Internal Assessment marks. In some cases, we do not have the Open Elective marks. Such names are in red font. Please inform us which Open Elective you opted for and in which Department so that we can complete this table.

It becomes very difficult to get the result corrected after its declaration. Please check carefully your Roll Nos. and Internal Assessment marks and get in touch with the concerned teacher in case of any discrepancy. Once we have corrected all this information, we shall declare the complete result, which is almost ready.
