**NOTICE FOR COLLEGE TEACHERS**

Dear Colleagues from the Colleges,

I hope that this finds you and your family members in good health.

We are going through very trying times. However, in spite of the difficulties, with some Courses Committee members being ill, some of you stepped in, even with patients at home or in hospital, and met virtually yesterday at 8:00 pm. My thanks also to Prof. Rakesh Kumar, Coordinator, B.Sc. exams., who has just recovered from Covid-19 and whose wife is still in hospital.

Collection of information through Google Forms, which I initiated nearly a decade ago when I was the Coordinator, has now become the only means of collecting data.

I am sharing the link to the Google form created by some young college teachers for the B.Sc. (Hons) examinations. They will also be sharing this link with you via WhatsApp and other groups. My earnest request to you all is to please fill up the form and submit by tomorrow, so that the examination work is completed in time.

Thank you very much for your cooperation.

Please Stay Safe! Stay Indoors!

We shall soon also share the Google Form for the B.Sc. Program.
