

**DEPARTMENT OF CHEMISTRY
UNIVERSITY OF DELHI**

NOTICE

Students of M.Sc. IV semester are hereby informed that it is proposed to begin regular practical classes tentatively from February 15, 2021. Detailed guidelines will follow. Theory will remain in the online mode. Practicals will be in both online and regular modes. There is no compulsion to attend the regular classes. In addition to the guidelines issued by the University of Delhi and University Grants Commission, the Task Force constituted for this purpose has formulated the following guidelines:

SOPs FOR STUDENTS

1. The students may be asked to give their willingness to attend the classes before the beginning of practical classes
2. Students must come with prior appointment and must stick to the physical zone where they are permitted to work.
3. Students must enter the following in the entry register a. Name and contact number, b. Date and Time of entering the building / laboratory, c. Name of the teacher who has given appointment.
4. Students must avoid travel if they have any COVID symptoms (fever, cough, fatigue etc.)
5. All safety norms prescribed by different Government agencies, University Grants Commission and University of Delhi to contain the spread of COVID-19, such as wearing face cover/mask and maintaining a minimum of 6-ft physical distance from others, maintaining hand hygiene, wearing gloves, etc is a must at all times and at all places.
6. While leaving the Department, it is mandatory to enter the exit time in the register at the entrance.
