**NOTICE FOR GUEST INTERVIEWS**

The links for the online interviews scheduled for tomorrow have been shared with the short-listed candidates of SC, OBC, ST, EWS and UR (Inorganic Specialization) categories.

The Department of Chemistry reserves the right to alter the number and nature of posts without assigning any reason.

The Department of Chemistry is not responsible for non-receipt of the link due to incorrect email id or any other incorrect information.

The University may soon start classes in the Physical mode, especially for practicals. The candidates must be prepared to teach in the offline/ hybrid mode at short notice. They may be required to help in running the instruments or any other offline work.
