CHEM/2022/913
14-10-2022

It is notified that the Theory Examination for the M.Sc. III semester will be held from 20th December to 29th December 2022 between 2:00 to 5:00 PM. III semester M.Sc. students are required to appear for the Theory Examinations as per the following Schedule:

Date	Paper Code (Upapcode)	Course	Title of paper (Course A & B)
20.12.2022 Tuesday	221703302	Open Elective	Introduction to Nanochemistry Properties of Nanomaterials (Course A)/ Synthesis and Characterization of Nanomaterials (Course B)
	221703303		Chemistry of Life Processes & Bioactive Compounds Chemistry of Life Processes (Course A)/ Bioactive Compounds (Course B)
	221703305		Irreversible Thermodynamics, Transport Phenomena (Course A), Surface Phenomena & Fast Reactions (Course B)
23.12.2022 Friday	221701301	Inorganic Chemistry - III	Inorganic Reaction Mechanisms (Course A)/ Catalysis and Bio-inorganic Chemistry (Course B)
26.12.2022 Monday	221701302	Organic Chemistry-III	Photochemistry & Pericyclic Reactions (Course A)/ Medicinal Chemistry (Course B)
29.12.2022 Thursday	221701303	Physical Chemistry-III	Molecular structure and spectroscopy (Course A)/ Diffraction, electronic spectroscopy, NMR & Mossbauer (Course B)

RL
14.10.2022

Superintendent of Exams, Head, Chemistry Department
Semester III Nov/Dec 2022 of Delhi, Delhi-110007
