

INSTRUCTIONS

This assignment covers the material taught so far except HMO Theory. Questions regarding HMO theory will be uploaded along with the course material.

The remaining chapter Computational Chemistry will be duly uploaded.

Meanwhile, solve the assignment and contact me at my e-mail address in case of any difficulty or if you need any help.

Texts to be consulted:

1. Lowe, Quantum Chemistry
2. Engel & Reid, Physical Chemistry
3. Kakkar, Atomic & Molecular Spectroscopy
